

A horizontal strip of granite with a light beige and tan marbled pattern, showing some darker veins and a glossy finish.

**GLOSSY FINISH**

EMOTIONS ON THE  
S U R F A C E

A large, detailed view of the granite surface, showing a complex pattern of light beige, tan, and cream colors with thin, dark veins and some darker spots, all with a glossy finish.

**GVT/PGVT**  
600X1200mm

Rollence Granito's state-of-the-art vision takes pride in being one of the most demanded manufacturers and exporters of ceramic vitrified tiles locally and globally. Our team of experts and organization strives to serve its customers and stakeholders with satisfaction and quality products, fulfilling needs of any type of projects ranging from residential to commercial or government projects related to restoration of monuments and historical edifices depicting art & culture.

We offer numerous concept boards to tiles; our organization and our team out our understanding and expertise to work for our clients and customers. Rollence has an affinity for creating the quality ceramic and porcelain products and creating them with excellence this make our patrons to uphold the faith and confidence on us and to pick the highest quality of ceramic vitrified tiles, from our tile catalogues, with customized designs and enamels for their dream projects.
