

A horizontal strip of granite with a light beige and cream color palette, featuring subtle veining and a glossy finish. A small, solid orange rectangular block is positioned on the left side of the strip.

GLOSSY FINISH

EMOTIONS ON THE
S U R F A C E

A large, detailed view of the granite surface, showing a complex pattern of light beige, cream, and subtle blue-grey veining. The texture is highly detailed and natural.

GVT/PGVT
600X1200mm

Rollence Granito's state-of-the-art vision takes pride in being one of the most demanded manufacturers and exporters of ceramic vitrified tiles locally and globally. Our team of experts and organization strives to serve its customers and stakeholders with satisfaction and quality products, fulfilling needs of any type of projects ranging from residential to commercial or government projects related to restoration of monuments and historical edifices depicting art & culture.

We offer numerous concept boards to tiles; our organization and our team out our understanding and expertise to work for our clients and customers. Rollence has an affinity for creating the quality ceramic and porcelain products and creating them with excellence this make our patrons to uphold the faith and confidence on us and to pick the highest quality of ceramic vitrified tiles, from our tile catalogues, with customized designs and enamels for their dream projects.
